

## Seasons Greetings

December 2011

To mark the end of 2011 instead of sending Christmas cards and gifts we will be donating to a worthy charity.

This year our chosen charity is the Watercare Harbour Clean-Up Trust.

This charitable organisation oversees the removal of litter from Auckland's Waitemata Harbour and inner gulf islands, and promotes the concept of clean, clear rubbish-free waterways. As an environmentally responsible Shipping Line, minimising society's impact on our waterways is an issue close to our hearts.

And finally from everyone at Pacific Forum Line we wish you all a safe and happy holiday season, and all the very best in 2012.
