NOTICE TO CUSTOMERS

RE: Forum Samoa II

To our Valued Customers, and Partners

Great News! The Forum Samoa II is alongside in Apia and initial reports suggest the damage suffered is not extensive. The vessel will need to be dry docked to carry out repairs in due course.

The cargo from the Forum Samoa II will be unloaded and transferred over to the Capitane Tasman – we expect on Thursday (New Zealand time)

As a result the Owners of the Forum Samoa II have decided to withdraw General Average

We thank you for your patience, understanding and apologise for any inconvenience this has caused to our clients and partners.
