Dear Customer,

Due to the upward trend in the price of bunker fuel this past month, the Swire Shipping/Tasman Orient Line BAF formula has triggered an increase of USD12.50 per TEU, USD25.00 per FEU and USD0.75 per RT against the present level.

USD275.00 per TEU

USD550.00 per FEU

USD13.50 per REVENUE TONNE for breakbulk and LCL cargoes

The revised surcharge will apply for all consignments showing a Bill of Lading date of **1 June 2010** or later on all Swire Shipping/Tasman Orient Line services from **Fiji to New Zealand**.

We thank you for your understanding on the impact of bunker fuel prices and we appreciate your continued support.
