NOTICE TO CUSTOMERS

NEW SERVICE TO KINGDOM OF TONGA, SAMOA AND AMERICAN SAMOA

The world recession has had a major impact in the Pacific and Lines' ability to operate their own vessels within the Pacific region.

Pacific Forum Line's 30 plus years commitment to developing trade in the Pacific will continue with a rationalised service using the new 13000 DWT, 800 TEU vessel, Southern Lily.

This will ensure the highest possible service level as well as provide sufficient return on investment to continue a sustainable service.

This new service will offer PFL customers a higher frequency and faster transit times with fixed day sailing from Auckland every 2nd Thursday.

All cargoes to Kingdom of Tonga, Samoa and American Samoa in our exciting new service will be loaded onto the Southern Lily v 239, ETD 27 Jan 2010.

The Forum Fiji II v 83 will continue servicing Fiji.

We will be making further announcements regarding this service with confirmed sailing dates and operational procedures.

For further information please contact your nearest PFL office. In the meantime we would like to thank you for your current support and look forward to working with you in 2010.
