**NOTICE TO CUSTOMERS**

**Port Botany Congestion – Forum Fiji v.102N**

To Our Valued Clients,

Due to severe congestion at Pt Botany, which would delay Forum Fiji v102 by approx. 7-days, we have decided to put the Forum Fiji into AAT Pt Kembla.

As a result we will use the services of MCS Cooks River to perform the transport of her exports from Sydney to Pt Kembla.

Receivals for delivery into MCS are set from Friday 26th August through to Tuesday 30th August (1700hrs).

We sincerely apologise for any inconvenience caused by this necessary schedule change but trust you understand the necessity to avoid a further eroding of our schedule integrity.

Should you have any queries, please contact your local Pacific Forum Line agency office as below.
