Christchurch Office Update

We are pleased to announce that we have entered into a long term agreement with Wilhelmsen Ships Service Ltd to cover the functions of our Christchurch office with the retirement of John Cotter.

Wilhelmsen Ships Service is one of the largest maritime service companies in the world with over 300 offices in 72 countries.

Their Christchurch office is staffed by two very experienced people, Graeme McHerron and Brendan Meredith. Between them they have over 64 years experience in the shipping industry so they will be able to assist with your enquiries no matter how strange or unusual.

Graeme McHerron

Graeme is a contemporary of John Cotter's and has over 40 years experience in the shipping industry, starting off at sea and ending up managing our South Island Operations. Graeme has worked for a number of well known shipping companies over the years and has a broad knowledge and understanding of the industry.

Brendan Meredith

Brendan has over 24 years experience in the shipping industry, including having worked for PFL for six years. Brendan has been with Wilhelmsen Ships Service for the last four years and with his knowledge of PFL staff, clients, systems and processes, he is ideally placed to ensure a smooth transition for PFL's clients.

New contact details for PFL enquiries are as follows:

Phone 03 366 5069 or email Wilhelmsen@pflnz.co.nz

We look forward to a new chapter in PFL history with Wilhelmsen Ships Service servicing our needs in the key markets in the South Island.
