NOTICE TO CUSTOMERS

Papua New Guinea Schedule Notice – Lae Port Omission

We have been advised by the vessel's principles that due to the **Pacific Voyager 1118N and Tasman Campaigner 1119N** being behind on their long-term schedule, neither vessel will be calling directly in to Lae.

All current bookings on the above mentioned vessels will be rolled to the Pacific Navigator 1120N.

Please note whilst we have looked at alternatives to get this cargo away sooner; the Pacific Navigator 1120N is our only current option. We will advise in due course if there is any further change.

Pacific Forum Line sincerely regrets any inconvenience caused. We would like to take this opportunity to thank you for your understanding. We also, appreciate your patience and continued support.

Should you have any question, please contact your nearest PFL agent. In the meantime, we thank you for your ongoing support.
