

## **IMPORTANT NOTICE - CORRECTION**

16<sup>th</sup> December 2011

Dear Valued Customers

### **ROTATION CHANGE – FORUM FIJI v105N**

Due to the peak of the cruise ship season over the Christmas period we have been advised of severe berth congestion in Port Vila. The berth in Port Vila is fully occupied with cruise liners and commercial vessels from 17/12 through to 24/12. As a result the decision has been made to change the port rotation on this current voyage.

Following its departure from Brisbane the vessel will steam to Noumea, then Suva and Lautoka, before heading back to Port Vila and down to the New Zealand ports. Proforma schedule is as follows.

Brisbane	16 December
Noumea	19 December
Suva	22-23 December
Lautoka	24-26 December
Port Vila	28-29 December
Auckland	01-02 January 2012
Tauranga	03-04 January 2012
Napier	05 January 2012
Melbourne	10 January 2012

This decision has been taken in order to uphold schedule integrity and keep the vessel moving with minimal disruption.
