

Increase in Lyttelton to Auckland Feeder Additional

19th December 2011

Dear Valued Customers

We wish to advise customers that due to the movements in bunker prices there will be an adjustment to our current feeder additional rates from Lyttelton to Auckland.

The rate will increase to NZD800 and NZD850 per TEU for dry and reefer respectively.

Whilst we regret the necessity for the increase, we trust that our customers will recognise that these are unavoidable costs of our continuing to provide our current shipping routes and levels of service.

The increase will be effective from 01 January 2012
